READING THE BIBLE IN ONE YEAR

Goal: to read the whole Bible through in one year, on a committed basis covering 23 chapters per week. As there are 1,189 chapters in the whole Bible, we will complete the Bible in 365 days. Praise the LORD!

Logistics: We will begin in **Genesis 1, Psalms 1 & Matthew 1**. On five days of each week, we will read 2 chapters from Old Testament and 1 chapter from New Testament. On two days of each week, we will read 4 chapters from OT. A total of $15 + 8 = 23$ chapters per week.

Purpose: to return to the Word of God; to be disciples of the Word; to be diligent in *“adding knowledge to our faith”*, (2 Pet.1:5); to grow in our discipleship – to know the Word of God for ourselves; *“to search the Scriptures”* with the help of the Holy Spirit, that we may be *“complete, thoroughly equipped for every good work”* 2 Tim.3:17.

God speaks to us through His Word and His Word alone is the measure and the judge of all things. We desire to move away from misinterpretation and practice and find out what the Word of God says. In the beginning was the Word, not the interpretation.

God and His Word are synonymous.
