Jesus is The One who has total power over all spiritual realms.

"Then the seventy returned with joy, saying, "Lord, even the demons are subject to us in Your name." And He said to them, "I saw Satan fall like lightning from heaven. Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you." Luke 10:17-19

Jesus is The One who has total power over all sickness and disease.

"And Jesus went about all Galilee, teaching in their synagogues, preaching the gospel of the kingdom, and healing all kinds of sickness and all kinds of disease among the people." Matthew 4:23

In recent times there has been a resurgence in the Western World of “Eastern” spirituality and practices. There is a growing hunger among many for [spiritual reality and spiritual experiences](#). People are desiring to search for “enlightenment”, [spiritual connection and supernatural phenomena](#).

Things like [witchcraft, crystals, tarot card reading, yoga, meditation, martial arts, ouija boards and many others](#) have entered more in the mainstream of society, classified under the title “New Age”. In fact, these things are not “New” but have been around for millennia, nations having practiced them in ages gone by.

For those searching for truth, it is good to see what Jesus has to say about these things and by all means escape the destruction and the pitfalls of entering into experiences from the wrong spiritual realm.

[We were made with a spirit and we were made to connect to the spiritual realm](#). The spiritual realm we were created for was called by Jesus, [“The Kingdom of God”](#). This is written to help all serious seekers find that realm and escape the deceptions.

God spoke through Moses 3500 years ago to the nation of Israel about not doing what the other nations did.

In **Deuteronomy 18:10** God speaks through Moses saying, **"There shall not be found among you anyone who..."**

1. " makes his son or his daughter pass through the fire"

This is human, child sacrifice to idols, ideologies and demons. This is serious and horrific and still practiced by **Satan worshippers, witchdoctors** in Africa and even in the West, **abortion of children** on the altar of selfishness is a form of sacrificing children.

Children are to be cherished, they are a
*"heritage from YAHWEH (the Eternal
God), the fruit of the womb is a reward."*

2. “ who practices withcraft” – or “ one who practices divination”

This is hiring someone to speak curses over people of the customer's choice. Witchcraft here means a person cursing people and nations with words, in false prophecy, to cause sickness, harm, destruction and mental illness.

God gives those who believe in Jesus power over this.

***“No weapon formed against you shall prosper,
and every tongue (word spoken) which rises
against you in judgement you shall condemn”***

Isaiah 54:17

3.” who is a soothsayer” – or “ an observer of times”

– This means someone practicing magic, bringing illusions that distract people from the truth. This includes **hypnotists, transcendental meditation, yoga and mind-controlling drugs.**

This lures people into a spiritual realm that is a bondage to Satan. Soothsayers use methods to cloud people's minds to gain control over them.

Jesus renews our minds by His Word and His Word is truth. As we put into practice what His Word says then we will enter into the reality of that Truth.

We are “transformed by the renewing of our minds so we can prove what is that good ,and acceptable, and perfect will of God” Romans 12:2

4. “ interprets omens” – or “ an enchanter”

This is someone who uses some device to determine someone's future based on a sign or **omen**. This includes **tarot card reading, reading palms of hands, reading tea leaves, astrology (star signs)** and any other ways that use a method to determine **destiny**. These omens actually act like a false prophecy that when believed can release it to happen by the demonic spiritual realm.

God's destiny for our lives is in Jesus Christ and is written in Scripture so that we

“ through the patience and comfort of the Scriptures might have hope” Romans 15:4

5. “ or a sorcerer” – or “ a witch”

This is somebody hired to practice witchcraft and utter spells to “fix” problems for people. They use blood sacrifice very often to contact evil spirits to do something for them. There is always some agreement with the devil to perform cures and “heal diseases”. In the New Testament of the Bible the Greek word for “*sorceries*” is actually the word “*pharmakeia*”.

This means sorcery has to do with drugs also, using “medicines, drugs and spells”. So the use of illicit drugs like **ice, heroin, speed, ecstasy and others** is used to get people into a sense of euphoria that then brings the person into bondage, connecting them with the **demonic magic realm**. So **drug-dealers** are actually **sorcerers**, being used by the devil to destroy people’s lives.

Also the use of **lucky charms, fetishes, dream catchers and feng shui** are acts of **sorcery**.

Simple faith in Jesus the Messiah brings healing and deliverance.

We do not need to trust in objects or things to protect us.

6. “ one who conjures spells” – or “ a charmer”

This means someone who causes a fascination leading to the joining of a society that is under a spell. This is being fascinated with something spiritual that is not of God. This includes joining **secret societies** like the **Freemasons**. These are dangerous and when joined actually bring curses on the people's families that join. Curses can be of sickness, disease, mental illness, miscarriages and even death. Even being joined to cult followings like **Harry Potter**, **Star Wars**, **Vampires** as well as **Video Game Networks and groups** bring people under a fascination that takes them away from God and under a demonic spell.

We are called to be in God's society which is the Community and fellowship of Jesus the Messiah. We were created to live in society with Jesus and each other

“Those who believed were of one heart and one soul...and great grace was upon them all” Acts 4:32-33

7. “ or a medium” – or “ a consulter with familiar spirits”

This is someone who acts as a mediator, a point of communication, between the spiritual realm and the earthly realm, talking to spirits on behalf of others to receive and give messages. This includes **psychics**. Psychics consult **familiar spirits** which are actually **demonic spirits** that have been entrenched in families for generations thereby knowing much information about the family.

Psychics contact these spirits and get information from them and eventually will release some negative, demonic destiny over the lives of those who go to them.

Jesus wants us to be filled with **His Holy Spirit** instead, receiving from God what He wants us to know and **His destiny for our lives.**

8. “ or a spiritist” – or “ a wizard”

This is similar to a medium but is talking of a person who has actually received, possibly through the laying on of hands, a **familiar spirit** by inheritance or by being the “chosen one” in a family to receive it. This **spirit** then **guides and communicates** with them giving them special power and/or knowledge. This could manifest today as a **guardian angel** or a **spirit guide** or even a **guru** who appears in the spirit realm to guide you.

Jesus said, ‘that when He, the Spirit of Truth, has come, He will guide you into all truth...and show you things to come. He shall glorify Me (Jesus).’ John 16:13-14

The Holy Spirit of God is to be our guide.

9. “ or one who calls up the dead” – or “ a necromancer”

This is someone who calls up the spirits of dead people. This includes **ancestor worship, ouija boards, séances, Bloody Mary, horror movies** and even the fascination in this generation with **zombies**. These spirits that are called up are actually **demon spirits** who masquerade (pretend to be) as former people. This again leads to contact with the demonic realm and leads to serious bondage, fear and strange phenomena happening.

Two angel men spoke to the women who went looking for Jesus' dead body, 'Why seek the living among the dead? He is not here, He is risen' Luke 24:5-6

Jesus is alive! We are to communicate with the Living One!

These are all things that God hates. He calls them an *abomination* because they lead people to supernatural and spiritual experiences with the devil's spiritual realm.

We were created for God's spiritual realm, the **Kingdom of God** or the **Kingdom of Heaven**. This realm is described as “*righteousness, peace and joy in the Holy Spirit*” – **Romans 14:17**. Jesus said that to enter it we must be “*born again to see the kingdom...born of the Spirit to enter the kingdom*” **John 3:3,5**.

This happens by receiving Jesus as God who became a man, the Son of God. It comes by inviting Jesus the Messiah, the King of the Universe, into our lives and believing that He died to take away our sins and cleanse our hearts from rebellion against God. Believe also that He rose from the dead on the third day, defeating the devil and death.

We enter the kingdom by repenting, changing our minds, from trying to contact the spiritual realm through the means mentioned in the booklet. We can then actually receive the kingdom of God by faith in Jesus the Messiah.

You will experience Jesus “*delivering you from the domain of darkness and conveying you into the kingdom of the Son of His love*” **Colossians 1:13**.

We were created for God's spiritual realm - the Kingdom of God

Jesus made you to live with Him forever. Do not be deceived by the devil any longer. Come out from the counterfeit spiritual realm into the real supernatural, miraculous power of God, where there is healing, restoration, forgiveness, life, eternity, power, grace and love - **and it is all for FREE**
